Hodan Center Brick Fund

A personalized engraved brick, set in the Hodan Center Nature Area, is a unique way to remember a loved one, honor a dear friend, or celebrate life's great moments.

In recognition of your gift of $75 to the Hodan Center Brick Fund, an individualized message will be engraved on one of these special bricks for placement in our Nature Area.

To order an engraved Hodan Center Brick, fill out the form at right and return it with your check to Hodan Center, P.O. Box 212, Mineral Point, WI 53565

Hodan Center Bricks are professionally engraved. Engraved bricks are ordered in groups and placement in the Nature Area requires rebuilding a section of walkway. For these reasons, please allow twelve weeks for the actual placement of your brick. 1
